1. Go to [www.pgcmcls.info](http://www.pgcmcls.info).
  2. Click on **Digital Services**.
  3. Select **Online Resources**.
- Your PGCMLS library card number may be needed to login.

## Biography in Context

Full text biographical articles from reference books, magazines, and newspapers. Search for people both current and historic from all eras and fields of endeavor.

## History Reference Center

Full text articles from encyclopedias, reference books and leading history magazines, historical pictures and videos, and biographical sketches.

## ABC-CLIO eBook Collection

Full text ebooks including the “Daily Life” series on life during different time periods and the “Culture and Customs” series on life in different countries. Other useful book series include the “Food Culture” series and the “Biomes of the World” series.

## Magazine Index – Explora Public Libraries

Read full text articles from magazines and academic journals. A broad array of topics are covered from current events to pre-history. It is an excellent starting place for any research project.

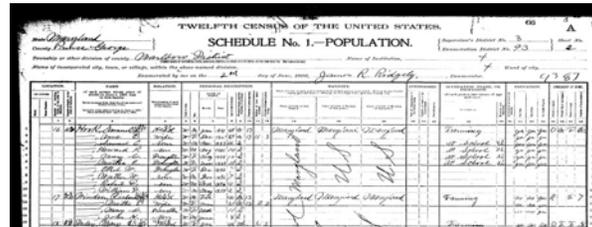

## African American Experience

Explore different eras in a timeline of the African American Experience. Read articles and view images and videos.

## Latino American Experience

Explore different eras in a timeline of the Latino American Experience. Read articles and view images and videos.

## HeritageQuest

For both genealogical and historical information, search U.S. census records, Revolutionary War pension and bounty-land warrant application files, and Freedman Bank records.

## Opposing Viewpoints in Context

Covers today’s hottest social issues from off shore drilling to climate change, health care to immigration, includes statistics, pro/con essays, primary sources, reference book and academic journal articles, and more.

## Encyclopedia Britannica

Discover country profiles, timelines, atlases, geography games, and more in this online encyclopedia. Use the Britannica Kids interface for younger students.

## Gale Virtual Reference Library

Full text reference books including the Eyewitness Series on numerous historical topics, American Decades, World Eras, Information Plus series on controversial social issues, Junior Worldmark Encyclopedias of States and Nations, and Contemporary Hispanic Biography.
