About The Book

A 2016 Coretta Scott King Author Honor Book and recipient of the 2016 Walter Dean Myers Award

In *All American Boys*, the unforgettable new novel from Jason Reynolds and Brendan Kiely, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. Written in tandem by two award-winning authors, this tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken from the headlines, unfold and reverberate to highlight an unwelcome truth.
