Examples of mobile apps that will ask you to login are: Facebook, Twitter, Pinterest, Netflix, Kindle and Nook. Also, you can create and use your own Apple ID to download additional apps to the iPad. Once the iPad is returned, however, all installations, personal information, logins and any downloaded items will be wiped off of the iPad to protect your privacy.

The borrowing period for these iPads is 2 hours or until the branch closes whichever period is shorter. Return your iPad promptly at the end of the lending period to avoid a replacement charge of \$600 and police notification. Take advantage of this technology. Join in on the fun! iPads offer another way to go mobile @ your library.
